Re: Notice of Copyright Infringement / Cloudflare Services

Dear Mr. Paine:

1. Demand for expeditious take-down

I write you on behalf of Shueisha Inc., KADOKAWA CORPORATION, Kodansha Ltd., and Shogakukan Inc. (collectively, the "Publishers"). We have information that the website mangabank.org is using Cloudflare's services to infringe Publishers' copyrighted works. Exhibit A is a representative list of specific pages that we recently found publicly displaying digital copies of Publishers' copyrighted works. These and other copies are being publicly displayed without authorization of the copyright owner or exclusive licensee. Please expeditiously remove and/or disable access to the material.

2. Statement of authority

I state that I have a good faith belief that the use of the works listed in Exhibit A is not authorized by the copyright owners, its agent, or the law, and that the information in this notice and Exhibit A is accurate. I swear, under penalty of perjury, that I am authorized to act on behalf of the Publishers, who are the copyright owners or who have an exclusive right that is allegedly infringed.

This notice is not a complete statement of Publishers' rights in connection with this matter, and nothing herein shall be construed as any limitation or waiver as to any of the Publishers' rights, claims, and/or remedies that may be applicable, each of which is expressly reserved.

You or the site operator(s) may contact me with the contact information listed above. Thank you for your cooperation and prompt response in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Dan Seymour". The signature is fluid and cursive, with the first name "Dan" being more legible than the last name "Seymour".
